Roy Ice - Host

Roy Ice serves as the host of Lifestyle Magazine and brings a fresh approach to viewers helping them achieve their best life possible. Through 5 key AWARE principles audiences worldwide learn to uncover the strategies of living a life filled with happiness and purpose.

Ice has explored the rain forests of Panama, Australia, and Costa Rica, and has plunged into the freezing waters of Finland in December. He has been awarded two awards from the Gospel Music Association as a member of the Christian band, Big Face Grace, has taught an English class to a Ukrainian Olympic Gold Medalist, and grade 12 Bible class to an American Double-Gold and Silver Medalist. He was mistaken for a major Hollywood producer for an entire day at Sony Picture Studios, and has climbed to the top of the Continental Divide.

Ice is the author of the book, *12 Things to Try While You're Still Mortal*, which climbed to the #1 Bestseller spot on Amazon Kindle Religious Books. Other works include *The 12 People You Love*, a revolutionary look at modern discipleship, and *The Bible Lab*, video and audio conversations to discover the true character of God. In August of 2010, he was nominated for the highest award granted by the Society of Children's Book Writers & Illustrators Guild for his novel, *Treasure of Heaven*.

Ice's life has been thoroughly upgraded in every way by Christ's relentless grace, and through the testimony of God's Word he has helped people to have that same encounter with the Savior on every continent, with the exception of two; Africa & Antarctica. He still has not given up hope of taking the Good News to the Emperor Penguins of Antarctica, however.

Since 1993, Ice has been a pastor, college chaplain and religion professor in Texas and California, and now serves as the Speaker/Director of Faith For Today broadcast ministries.
